

Physical Activity Resource Guide

A guide to physical activity
sites in Aroostook County

Healthy Aroostook & Power of Prevention

VISION

The County: Healthy Environment, Healthy People

MISSION STATEMENT

Power of Prevention and Healthy Aroostook are community coalitions dedicated to improving the health and well-being of Aroostook County citizens through collaborative community action, education, and prevention.

PURPOSE

This Physical Activity Resource Guide summarizes physical activity sites in Aroostook County. It is our goal that you will use it to enhance your participation in physical activity. If you are aware of any physical activity opportunities that are not listed, please contact your local Healthy Maine Partnership.

DISCLAIMER

Inclusion or omission of any information is neither an endorsement nor disapproval of any existing facilities in Aroostook County.

Along with being physically active,
here are some tips for

STAYING YOUR HEALTHIEST!

- Starting at age 50, get screened for colorectal cancer.
- Women, starting at age 40, get a mammogram.
- Men, starting at age 40, get screened for prostate cancer.
- Check for skin changes once a month.
Look for any suspicious or changing areas.
- Know your numbers: Blood Pressure
Cholesterol
Glucose
- Avoid tobacco products and secondhand smoke.
- Limit alcohol intake.
- Reduce the intake of processed or red meats.
- Limit snacks after dinner.
- Eat five to nine fruits and vegetables a day.
- Drink water or low-fat milk instead of soda or sugary drinks.
- Reduce the amount of recreational tv/computer time to less than two hours a day.
- Achieve and maintain a healthy weight.
- Try to get between seven and eight hours of sleep per night.
- Eat a nutritious breakfast.
- Avoid unprotected exposure to the sun.
- Talk to your health care provider about Vitamin D supplements.
